No one buys a photo printer like the PRO-100 to print text, but it's good to know it can do so if you need it to, as it has above-average quality for I updated the firmware on my Pixma Pro-100 printer yesterday and it reset the password to the printer's serial number. It took me a bit of hunting around on the I appear to have set an admin password on PIXMA PRO 100 and do not recall what it is. I followed the procedure for in this article ...
